They are briefly described on the next page.

☐ *Admission to these Courses is Free, but only by Ticket* (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be mailed, one to each applicant, in the order of application, and until the supply is exhausted, to all persons whose letters of application are received at least two days before the beginning of any Course by the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and are accompanied by stamped addressed envelopes. (See paragraphs 3 and 4 beyond.)

In such envelopes, when duly stamped and addressed, tickets will be mailed as soon as they are ready for distribution and if the supply is not already exhausted. If, however, as often happens, the desired tickets are not yet ready for distribution, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in great demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. ☐ Persons desiring to secure tickets for more than one Course must send a SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets *left over* for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets)

a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, *no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.*

4. Persons attending the *First Lecture* of any Course may, just before entering the Hall, EXCHANGE their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to give all applicants equal opportunity, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining reserved seats. These envelopes are then shuffled, and at the *First Lecture* of any Course all who desire to do so may, as just stated (see paragraph 4), EXCHANGE their *First-lecture Admission tickets* at tables in the vestibule, for envelopes, drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6. Two or more persons wishing to sit together may, by surrendering together their *First-lecture Admission tickets* (see paragraph 4), exchange these before entering the Hall for envelopes containing Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants without TICKETS OF ANY KIND may as heretofore obtain admission to the Hall (and almost always good seats) for any lecture by waiting in line in the vestibule at the foot of the stairs.

8. At all lectures in Huntington Hall THE DOORS ARE CLOSED WHEN THE LECTURE BEGINS AND NO ONE is allowed to enter afterward.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A History of the Lowell Institute, by Harriette Knight Smith, giving a complete list of the lectures in previous years, the subjects of their lectures, etc., was published in 1898, but is now out of print.

THE FIRST COURSE will be eight lectures by WILLIAM CUNNINGHAM, D.D., F.B.A., Fellow of Trinity College, Cambridge, and Archdeacon of Ely, England, on **Christianity and Politics**. 1. The Trustee of the Lowell Institute has established, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising at present three Courses, a Mechanical, an Electrical and a Building Course, each extending over two years.

The Courses of Instruction.—These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day. The subjects included in the Courses are as follows:

First-year Mechanical and Electrical Courses.—Mathematics; Physics and Elementary Electricity; Elements of Mechanism, and Drawing.

Second-year Mechanical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Applied Mechanics; Elementary Hydraulics; Testing Laboratory; Steam and Hydraulic Laboratory; Mechanism and Machine Design.

Second-year Electrical Course.—Elements of Thermodynamics, the Steam-engine and Boilers; Valve-gears; Steam Laboratory; Direct Current Machinery; Alternating Currents; Electric Distribution; Electrical Testing Laboratory; and Laboratory of Dynamo Electric Machinery.

First-year Buildings Course.—Mathematics; Physics and Elementary Electricity; Elements of Mechanism, and Drawing; Applied Mechanics and Graphic Statics; Steam and Hydraulic Machinery; and Heating and Ventilation.

Second Year.—Materials and Testing Materials; Structural Design; Foundations; Electric Machinery and Electrical Laboratory; Electrical Wiring; Steam Laboratory; and Building Laws, Contracts, Sanitation, etc.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin September 28, 1914. Attendance from 7:30 to 9:30 for three or four evenings a week is required, in addition to outside study.

REQUIREMENTS FOR ADMISSION.—To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric system), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be attached to the applicant's occupa-

tion and practical experience. The courses are open to those only who are ambitious and willing to study.

☞ A circular giving detailed information regarding the nature of the entrance examinations and other requirements may be obtained by sending a stamped addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

PUBLIC LECTURES IN THE
CITY OF BOSTON
UNDER
THE LOWELL INSTITUTE.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1914-1915.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present — the seventy-sixth — season five distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL,—the Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. COLLEGIATE COURSES.
- V. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee.*

W. T. SEDGWICK, *Curator.*

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the next page.

☞ *Admission to these Courses is Free, but only by Ticket* (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be mailed, one to each applicant, in the order of application, and until the supply is exhausted, to all persons whose letters of application are received at least two days before the beginning of any Course by the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and are accompanied by stamped addressed envelopes. (See paragraphs 3 and 4 beyond.)

In such envelopes, when duly stamped and addressed, tickets will be mailed as soon as they are ready for distribution and if the supply is not already exhausted. If, however, as often happens, the desired tickets are not yet ready for distribution, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in great demand, only one ticket will be mailed to any one applicant in any one stamped addressed envelope.

2. ☞ Persons desiring to secure tickets for more than one Course must send a SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets *left over* for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets)

a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, *no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins.*

4.  Persons attending the *First Lecture* of any Course may, just before entering the Hall, exchange their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to give all applicants equal opportunity, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining reserved seats. These envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as just stated (see paragraph 4), exchange their *First-lecture Admission tickets* at tables in the vestibule, for envelopes, drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6.  Two or more persons wishing to sit together may, by surrendering together their *First-lecture Admission tickets* (see paragraph 4), exchange these before entering the Hall for envelopes containing Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants without TICKETS OF ANY KIND may as heretofore obtain admission to the Hall (and almost always good seats) for any lecture by waiting in line in the vestibule at the foot of the stairs.

8. At all lectures in Huntington Hall THE DOORS ARE CLOSED WHEN THE LECTURE BEGINS AND NO ONE is allowed to enter afterward.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A History of the Lowell Institute, by Harriette Knight Smith, giving a complete list of the lectures in previous years, the subjects of their lectures, etc., was published in 1898, but is now out of print.

THE FIFTH COURSE will be six lectures by KUNO FRANCKE, Professor in Harvard University, on *Personality in German Literature*

before Luther. 1. THE CHIVALRIC MINNESONG AND THE COURTLY EPIC OF THE 13TH CENTURY. 2. THE GREAT MYSTICS OF THE 14TH CENTURY. 3. There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.
